

## Community Partners

### What is LCHAT

Liberty Community Health Action Team (LCHAT) is a coalition of community partners including a number of local businesses, individual community advocates, the City of Liberty, Liberty Hospital Foundation, the Clay County Public Health Center, Liberty Hospital, the Liberty Public School District and the parents who support it. LCHAT's vision is to create a community where healthy behaviors are the easy and preferred choice! This is being done by working on 3 performance areas:

- Promoting healthy eating
- Increasing physical activity
- Increasing engagement opportunities

### Why Partner

We are asking that you pledge your partnership with LCHAT. This means you approve and support our vision and activities and you care about the health and well being of your community; and you would like to join the movement in transforming Liberty today toward a healthy, active, connected community tomorrow! Your time and talent are essential to improving the health of Liberty.

You agree with the work LCHAT is doing to improve health in the Liberty community

You agree to provide resources and services that help improve the health of our community

LCHAT will help promote your healthy programs and services

### Community Benefit

The work LCHAT is doing can't be done alone. You can have a very important role in helping make a difference in your community. That's where you, as a service provider comes in. The healthy programs and services your business offers is connecting residents to a healthy lifestyle. Ultimately, you're helping to change lives for the better.
